

# ACHERON TENNIS CLUB

November 2018 Newsletter

## PLANNING

The grass has sprouted well. We still need to do some landscaping and decide what type of trees to put along the south fence. A more permanent locked box is also planned.

## Hello all Members

The weather is certainly warming up again. Our monthly hit is on this Sunday 18th . It happens to coincide with the CFA Fire-awareness open day from 10am. It is a wonderful opportunity for locals to have your personal fire fighting equipment checked by professionals. The tennis court and basketball hoop will be available all day.

Thank you to those who have paid their membership fees—and just a reminder for those who have not.

Acheron Tennis Club. Bendigo Bank 633 000

## FUNDRAISING

Thank you to those who helped to set up and dismantle at the race course—More money going into the coffers. We'll let you know when we need you for the next meeting. Any amount of time you can spare is greatly appreciated.
