

Acheron Mechanics Institute Newsletter

**Hall News
February 2009,**

Marysville Kindergarten to Operate from the Acheron Hall

This is a very short newsletter for a very special purpose.

The Marysville kindergarten teacher, Cherie Ackerman contacted Bev Dick and Bev contacted Barb Gamble to check the availability of the hall for the kinder to set up there until a temporary kinder can be established in Marysville.

They say the hall is perfect and the quiet area just what the children need so we felt pleased to offer the hall for the 2 or 3 days the kinder will operate.

They will also need all the usual equipment. Cherie will find most equipment through DHS who will also take care of fencing etc. There are 2 items in particular that would enhance the outdoor area, a small mobile chook shed to replace the one lost and a cubby. We are hoping the Acheron community can help provide these. We have sourced new items at a special price but if anyone has a particular contact for these or if you would like to make a donation please let Barb know on 5772 3305 or 0417 013 701

A further newsletter considering the bushfire consequences will be published shortly

And even more...

The new shade sail will cool the deck, ramp and garden out the back. The completed concrete path keeps feet dry as the garden soaks up the delicious rain.

The BBQ pictured in the new storage area is ready for action and will definitely be fired up for the Car Boot sale in November on Melbourne Cup weekend.

In the background are the new round trestles. Great size for comfortable dining and enjoyed by those at the dinner on Saturday night.

**The
Acheron Hall Upgrade - Stage Two
Completed May 2008
An Acheron Community Initiative.
Jointly funded by the Victorian Government through the
Small Towns Development Fund,
Acheron Hall Committee and
Contributions from members of the Acheron Community
and Murrindindi Shire Council**

The plaque soon to be unveiled at an opening ceremony. The date of which will soon be announced.

Dates and events to watch for:

- The 'opening' of our upgrade, with plaque.
- Community Singing on June 14
- The Annual Dinner on August 9
- The AGM on August 31
- The car boot sale on Cup Weekend, Nov 1

COMMUNICATION. We would still love to send this by email so if you have an email address, please send an email to acheronhall@yahoo.com.au and this will guarantee that you are kept up to date with all events in **colour** AND save the committee considerable funds. Paper, stickers and stamps are all costly.
