

# Acheron Mechanics Institute Update

Contact: [acheronhall@yahoo.com.au](mailto:acheronhall@yahoo.com.au)

## Fundraising Update

Many thanks to those who have responded to our fundraising letter. To date we have raised \$6075 and work completed so far includes installation of 2 split system units in the main hall and a reverse cycle air conditioner in the kitchen. The structure for the deck and store room is also well under way. Anyone who attends the dinner will be able to experience the improvements first hand. If you plan to donate and haven't quite got around to it, it would be greatly appreciated by mid-August as we have a commitment to both builders and council at that time.

## The dinner details:

**August 11**

**6.30 for 7.00 p.m.**

Our chef, Adrian, is preparing a feast to underpin a wonderful night out. There is a huge variety of items to be auctioned so don't forget to bring cheque books and also a few coins for the annual raffle.

## Working Bee

**September 8**

**1.00 to 3.00 p.m.**

Any help you can give to achieving our in-kind commitment by offering an hour or so working on a landscape planting plan would be of great assistance. Bring any tools you can; gloves, spades, mattocks, rakes etc...

## Games Night

**October 13**

Further details will be published in the next newsletter. But keep the evening free for a lot of fun

## Distribution

This update is going only to those with email addresses. So if you know any luddites, please share the contents with them and encourage them to go electronic!
